TO: Electors of the Monona Grove School District, Dane County, Wisconsin

Notice is hereby given to the qualified electors of the Monona Grove School District, Dane County, Wisconsin, that a referendum election will be held on Tuesday, the 5th day of April, 2016. The question to be asked on the referendum election ballot is as follows:

***RESOLUTION TO INCREASE REVENUE LIMITS FOR
OPERATIONAL NEEDS***

Shall the Monona Grove School District, Dane County, Wisconsin, be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by up to \$2,600,000 per year for a period of five years on a non-recurring basis beginning with the 2016-2017 school year, and ending with the 2020-2021 school year, for the purpose of funding School District operations, including, but not limited to, costs associated with curriculum, technology, personnel, maintenance, equipment purchases, and facility improvements?

EXPLANATORY STATEMENT AND EFFECT OF VOTE.

The election ballot will ask District electors to vote “yes” or “no” on the referendum election question as set forth above.

A “yes” vote is a vote in favor of non-cumulative increases in the School District budget for school years 2016-17, 2017-18, 2018-2019, 2019-20 and 2020-21 above the revenue limits imposed by Section 121.91(2m), Wisconsin Statutes, as follows: an increase in the School District budget for the 2016-17 school year in the amount of \$2,600,000; an increase in the School District budget for the 2017-18 school year in the amount of \$2,600,000; an increase in the School District budget for the 2018-19 school year in the amount of \$2,600,000; an increase in the School District budget for the 2019-2020 in the amount of \$2,600,000; and, an increase in the School District budget for the 2020-21 school year by \$2,600,000. Each such increase would be effective only for the school year specified, and the increases in the revenue limits would not extend beyond the 2020-21 school year. These increases in revenue limits would be for the non-recurring purpose of funding general operations, technology, curriculum, and facility maintenance and improvements. In the event a majority of the electors voting on the ballot question vote “yes”, the District may increase its revenue limits in each such school year by such amount. In the event a majority of the electors voting on the ballot question vote “no”, the District may not increase its revenue limits in each such school year by such amount.
